

**REMARKS/ARGUMENTS**

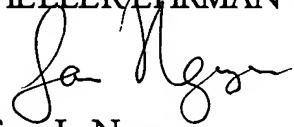

In the specification, the new paragraph on page 1 was added to note the cross-reference to related applications. The paragraphs [0013], [0072], and [0073] have been amended to correct minor editorial problems. Paragraph [0086] was a duplicate of paragraph [0084] but the term "diabetes" was replaced with the term "obesity" in paragraph [0086] as obesity is also one of the methods of treatment for a disease condition that finds support in the specification on page 4, paragraph [0018], last line.

Claims 27 to 64 are in this application. Claims 1-2 having been canceled. The Examiner allowed claims 3-26.

Applicants respectfully requests that a timely Notice of Allowance be issued in this case.

Respectfully submitted,
